

Standard FutureCom™ LANscape® Patch Panels

19" High-grade steel

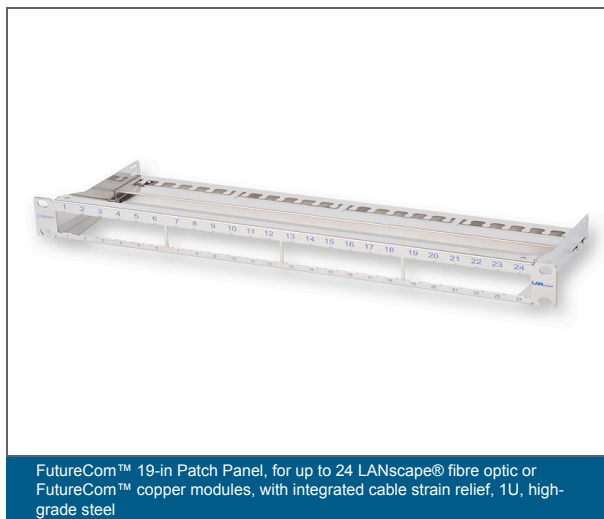

CORNING

Part Number:
WAXWSV-02400-C001

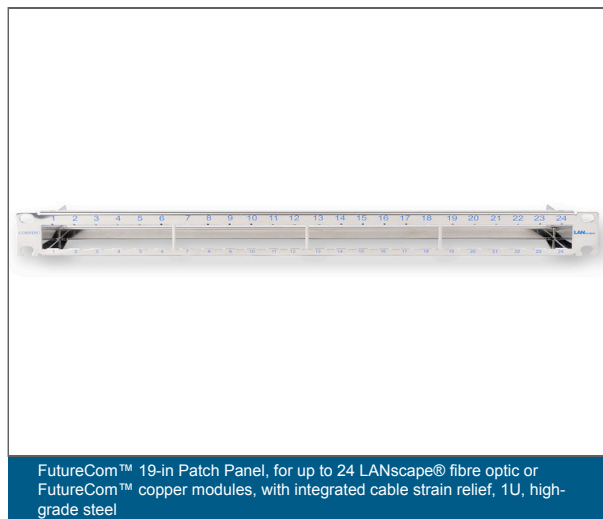

The FutureCom™ patch panel is universally applicable for all 19-in racks and LAN-cabinets. This allows the free user-specific configuration of building and floor distributors. The front panel is electrically leading. Integrated grounding points are available at the back. Likewise for grounding 2 latches are available for flat connectors. Particularly to emphasize is the simple and fast installation and clicking of the modules into the patch panel.
