

# Standard FutureCom™ LANscape® Patch Panels 19" Black

CORNING

**Part Number:**  
**WAXWSV-02408-C001**

The FutureCom™ patch panel is universally applicable for all 19-in racks and LAN-cabinets. This allows the free user-specific configuration of building and floor distributors. The front panel is electrically leading. Integrated grounding points are available at the back. Likewise for grounding 2 latches are available for flat connectors. Particularly to emphasize is the simple and fast installation and clicking of the modules into the patch panel.

## Features and Benefits

Universally applicable for all 19" rack

Suitable for all LANscape modules (FO and Copper)

Quick mount feature for easy one-person installation

Conductive front panel

Integrated cable strain relief

Two standardised grounding lashes for flat plugs

Integrated earthing points on the back side

Port numbering above and below ports

Space above ports can be used for customised labelling

FutureCom™ Patch Panel 19-in, for up to 24 LANscape® or FutureCom™ modules, integrated strain relief, 1U, 24 Ports, black

# Standard FutureCom™ LANscape® Patch Panels 19" Black

## Specifications

### Environmental Conditions

Environmental compatibility	Recyclable
-----------------------------	------------

### Design

Housing material	High-grade steel
Height Unit	1 U
Colour	Black
Number of ports	24

### Mechanical Specifications

Cut Out	LANscape®
Housing material	High-grade steel

### General Specifications

Product category	Core product / Fastship
Environment	Indoor
Halogen-free	Yes

### Dimensions

Height	44 mm
Width	483 mm
Depth	152 mm

### Ordering Information

Product Number	WAXWSV-02408-C001
